

WARNING:

Risk of electric shock. Before installation, disconnect power to the luminaire. Failure to do so may result in electric shock and lead to injury or death.

Risque de choc électrique. Avant l'installation débranchez l'alimentation au luminaire. Ne pas le faire peut entraîner des un choc électrique et entraîner des blessures, voire la mort.

CAUTION:

For your safety, read and understand instructions completely prior to installation. Installation requires knowledge of luminaires electrical system. If not qualified, DO NOT attempt installation. Contact a qualified electrician if necessary.

Pour votre sécurité, lisez et comprenez entièrement les instructions avant l'installation. L'installation nécessite une connaissance du système électrique des luminaires. Si vous n'êtes pas qualifié, NE PAS tenter l'installation. Contactez un électricien qualifié si nécessaire.

NOTE: Before beginning the installation, carefully unpack and identify all parts. **Save these instructions, you may need them for later.**

**** Millwork Adapters are for ELIUM™ FLANGELESS Trims only****

Installation should be done prior to installation of the millwork ceiling and done on the floor level.

Tolerances are sensitive, measure prior to cutting.

Step 1: Install the housing per Elium™ housing installation instructions. For ease of installation for the Millwork Adapter, remove the collar before installing ceiling **Fig. 1A, B and C.**

(Optional): Install drywall if applicable.

Step 2: Use a 1/8" Allen Key (**LU332ALLEN**) to unscrew the two screws on the guiding collar. Remove the dust cover and adapter from the guiding collar and set aside **Fig. 2.** Be mindful to not lose any parts, they are needed later.

Step 3: Secure the guiding collar onto the millwork ceiling, **Fig. 3A**, and use the inside of the guiding collar as a template, **Fig. 3B**, to cut a precise hole in the millwork ceiling, see **Table 1.**

Step 4: Align the tabs on the guiding collar with the adapter and slide the adapter down **Fig. 4.** Use 1/8" Allen Key (**LU332ALLEN**) to partially tighten the screws.

Step 5: Adjust the adapter until the Dust Cover is flush with the ceiling. Tighten the screws when complete using 1/8" Allen Key **Fig. 5.**

Step 6: Install the millwork ceiling.

Step 7: Install your ELIUM™ trim **Fig. 6 and 7.**
